"And 'The Remnant' said – to God be the glory!"

"The Stratosphere is not for wimps!"  
- J. Godley-Ramos -

**"A Bastard's Refuge II Rejected by Man but Adopted by God**, catapults you to a place where the fearful dare not tread. It takes you on a riveting journey as it exposes the vicious plot to paralyze "God's Anointed." What happens when a person finds him or herself under the leadership of a "Ravenous Wolf" instead of a loving, shepherd? Somebody's prayers have been answered. Unlike books that only dance around the issues, **A Bastard's Refuge II** goes all the way and tells it like it is! In authentic firebrand style, Prophetess J. Godley-Ramos puts it down way hard - so get ready! This book brings the heat - you will either say "Amen or Ouch?!" Whew!

The "Hirelings" have fleeced the sheep long enough. These "Imposters" give God's "Good Pastors" a bad name. The pretenders often view *themselves* as God. They think that "The Sheep" literally belong to *them*, rather than to **HIM**. Sadly, because so many have fallen asleep or lack "*Correct Biblical Interpretation*", or because they simply do not have the backbone, and are afraid to stand up for themselves, they continue to wonder in a blinding stupor and in spiritual buffoonery as they are repeatedly raped, pimped, and spiritually assassinated by the very leaders, who claim to be watching for their souls. They remain silent and stuck as a result of having been "Rebuked" into believing that, "To speak against 'Charlatans in leadership' means they are rebelling against God." Well, as usual somebody done told them wrong!

The "Bootleg Shepherds", the "Wolf Clerics" the "Prophet Wannabes" and unfortunately the "Unsuspecting Slumbering Sheep" are all in for a rude awakening. This book is a "Crooked Pastor's" worse nightmare, while it is the answer to prayer for the many who have been wounded by them. This time, "Dagon shall fall down!" The church may not be ready for this one, because things will never be the same again - ever. And we mean it! Question is - Can you stand the **heat**?
